

Only through God's grace will this building be built. I was not here when the church was being built, but I can see evidence that His work was done. I have the confidence His work will be done again.

- Bro. Benjamin Bryant

My church is Mt. Zion Baptist. I love the brothers and sisters and I need them to keep me until I am called home. - Mother Jackie Wright

MT. ZION'S COMMUNITY LIFE CENTER SITE PLAN

When I think about how good God's been to us, how far we have already come by faith, how Mt. Zion has been a blessing to so many and of the inherent possibilities of adding the Community Life Center, I can not think of any other investment that would net a higher return.
- Sis. Edjuana Ogden

I believe that God is helpful in every situation. No matter how hard the task, God will see strong, faithful and committed people through.
- Bro. David McCullough, Jr.
